MOBELUX

ROMANIAN FURNITURE

"În fiecare bloc de marmură se află o statuie şi e treaba sculptorului să o descopere." spunea Michelangelo. Parafrazându-l, noi, la rândul nostru, am putea spune că în fiecare bucată de lemn stă o frumoasă piesă de mobilier şi datoria noastră este să o descoperim.
Tot Michelangelo spunea că "frumuseţea este eliminarea surplusului", ceea ce şi facem din 1995 încoace - eliminăm surplusul pentru a scoate la iveală frumuseţea care încântă ochiul, care înnobilează spaţiile şi care te face să te întorci mereu cu plăcere acasă.

"In every block of marble is a statue and the work of sculptor is to descover it."- said Michelangelo. Paraphrasing, we could to say, in every piece of wood is a beautifull piece of furniture and is our duty to descover it.
Also, Michelangelo said "the beauty is disposal of surplus", what we do since 1995 - we eliminate surplus to reveal the beauty that enchants the eye, that ennobles spaces and that make you to retun home every time with pleasure."
